ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson. Check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

The most comprehensive, up-to-date resource for today's photography students. Photography 11th edition offers an in-depth approach to photography that spans the ever-changing landscape of photography from dark-room to digital print. This edition presents all facets of photography, laying out what you need to know to make photographs with digital tools as well as the integral steps to perfecting film print. MyArtsLab is an integral part of the London/Upton/Stone program. Key learning applications include videos, simulations, and MediaShare. A better teaching and learning experience This program will provide a better teaching and learning experience for you and your students. Here's how: Personalize Learning MyArtsLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking Visual aids and detailed coverage of key elements help students examine art more critically. Engage Students Updated images, MyArtsLab, and the clarity of the text provide a wonderful engaging student experience. Support Instructors Instructor resources are available in one convenient location. Figures, videos, and teacher support materials create a dynamic, engaging course.
