Photos...from this side of Heaven! is a collection of photographs that the Author had taken while working on the road in Alaska and in Califorrias Yesimti National Park and Sequoia National Park. Just the beauty of the photos makes you wonder and ask yourself: If our heavenly Father can create such beauty on this side of heaven, one can only imagine what Heaven is going to be like. With scripture quotes added underneath the photos, adds a special touch behind each photo and a great opportunity for reflection and devotion.
