Fight or flight had never been a question for feisty Boston physical therapist Rylie Hemmons, until she met the man whose touch made her reconsider everything she’d worked so hard to create. When Rylie takes on new patient Mitch Camden after his ski-accident, she is overwhelmed by a physical attraction she’s never before experienced. Conflicted over her desire for Mitch and maintaining her professional oath, she works to keep the personal boundaries, just as Mitch is equally determined to close the distance. At the risk of jeopardizing her career and reputation, Rylie is forced to make a life-altering decision that may have her running from what she needs most.
